

Wow, it's hard to believe that the last month of the school year is upon us! What a year it has been. I just want to thank each of you for starting this journey with us here at the Performing Arts Preschool. It's been so rewarding.

This month our focus will be on the Ocean. We will then be finishing the school year out with review on all the letters and focusing on **READING!** We will also be working on reviewing our shapes and numbers this month. Finally, we are working hard on tracing and writing our names. Practice at home is always helpful!

Our last day of school is going to include a mini-performance. Like in previous performances, we will be unlocking the doors at 12:00 to let families in and getting started soon after that!

**Important Dates This Month:**

Thursday, June 1<sup>st</sup>- Show and Tell: Something that starts with the same letter as your name

Thursday, June 8<sup>th</sup>- Show and Tell: Favorite ocean animal/Reinzlee's Birthday Celebration

Thursday, June 15<sup>th</sup>- Show and Tell: Something you use in the summer

Tuesday, June 20<sup>th</sup>- We will spend time outside with chalk and bubbles!

Thursday, June 22<sup>nd</sup>- Last day of school and performance!

**Ms. JoAnne's Corner**

Hello dance friends! It's hard to believe that we're already wrapping up this year! During the month of June we will be learning a new, short dance to present on our last day of preschool. We will also continue elaborating on many of the concepts we have worked on this year by introducing new activities and, of course, making time for some of their favorites! Thank you for spending this year with us!

Happy Dancing,  
Miss JoAnne

**Ms. Gretchen's Corner**

Welcome to June!! After 10 months of music work, the difference in our class' confidence when singing, manipulating instruments, and following a beat is truly outstanding! We have seen SO much growth in your kiddos!

Our June class sessions will be spent in review of all our music vocabulary, rhythm concepts, and ear training work. Students will also have an opportunity in each class to request favorite songs from the year.

Thank you for a stellar first year at Performing Arts Preschool with NSD!!

Ms. Gretchen
